

## Class 10 English: Term 2: persuasive language and debating

### Assessment Outline & Groups

What: The debate has three components:

1. an **annotated bibliography** of your research;
2. a **statement of intention** – outlining a plan of attack for your debate;
3. the **debate** itself.

When: at this stage the plan is for students to write their **statement of intention** on Monday, June 7; and for **debates** to commence from Tuesday, June 8.  
The **Annotated bibliography** needs to be completed at home, during Week 7.

Students must be prepared to write their statement of intention on Monday, June 7.

Who: **Whoever emails me first with their preference, will receive their choice of which side of the debate they would like to go on!**
