

2021 Class 10 English: Term 1: Short stories
Week 4 – Remote Learning work

Hi Class 10, here is your work for Tuesday and Wednesday:

Using the Editing Sheet – re-write your Omelas Piece as a final copy into your **folio** (if you did not bring your folio home, then either write it or type it onto clean A4 paper so you can glue it into your folio when you get back).

- > Try to replace any ordinary words with more interesting words.
- > Aim to add some **Imagery** (use the editing Sheet as a guide), if it is suitable for your piece.
- > Try to include either some **euphony** or **cacophony** – depending on which better suits your piece.
- > Look closely at any of the other features on the Editing Sheet and see which ones may apply to your piece.

On Thursday we will read a new story and look at how to **plot** a short story.

Ciao for now,
Jake
